

SENATOR V. JOHNSON: There being no further lights on, I would ask Senator Wesely to close, however, Senator Wesely, before speaking I would like to introduce to the Legislature from the Midwest Conference of the Council of State Governments, a guest of Senator Robert Clark who as you well know is very active in that organization, under the South balcony, Mr. Jim Bowhay. Please welcome Mr. Bowhay. And now, Senator Wesely, for your closing.

SENATOR WESELY: Thank you, Mr. President, members of the Legislature, again, what I am doing is in the amendment that was adopted last week by Senator Labedz and Senator Morehead which allowed for one duplicate permit in addition to the regular permit that you would receive, I am saying that that should go from one to two, again, the point being I have talked with a number of campers who feel that one duplicate is not enough to meet their needs and they feel it is only fair that they be given a chance at least of two duplicate permits. SENATOR V. JOHNSON: Senator Wesely, having finished at this time, we shall vote on his amendment. Record.

SENATOR V. JOHNSON: At this time we are ready for the bill itself. I see no lights on, no person wishes to speak to the bill. Accordingly, is Rod Johnson here? Yes. Would you move the bill, Mr. Johnson?

SENATOR R. JOHNSON: Mr. Speaker, I move that we advance LB 199 to E & R for engrossing.

SENATOR V. JOHNSON: All in favor signify by saying aye. Aye. Oh, we had a request for a machine vote, I'm sorry.

CLERK: Senator Johnson voting yes.

SENATOR V. JOHNSON: Record, please.

CLERK: 26 ayes, 3 nays, Mr. President, on the motion to advance the bill. (Record vote appears on page 939 of the Legislative Journal.)

SENATOR V. JOHNSON: Before moving on to the next bill I
